CLAIMS

I claim:

- 1: A method for helping a subject to stop smoking, said method comprising:
- (A) providing a non-conditioning educational program to educate the conscious mind to discourage smoking behavior;
 - (B) providing a hypnosis program to train the subconscious mind to discourage smoking behavior; and
 - (C) providing a stop-smoking substance in an amount effective to aid in the reduction or cessation of a craving to smoke tobacco.
 - 2. The method of claim 1, wherein said stop-smoking substance comprises an anti-depressant.
 - 3. The method of claim 2, wherein said antidepressant comprises a drug substance.
 - 4. The method of claim 3, wherein said drug substance comprises buproprion hydrochloride.
 - 5. The method of claim 2, wherein said antidepressant comprises a nutritional supplement.
 - 6. The method of claim 5, wherein said nutritional supplement comprises gotu kola.
 - 7. The method of claim 5, wherein said nutritional supplement comprises kava kava.
 - 8. The method of claim 5, wherein said nutritional supplement comprises lobelia.
 - 9. The method of claim 1, wherein said stop-smoking substance comprises an anxiolytic.
- 10. The method of claim 9, wherein said anxiolytic comprises a drug substance.
 - 11. The method of claim 9, wherein said anxiolytic comprises a nutritional supplement.

- 12. The method of claim 1, wherein said stop-smoking substance comprises a nicotine receptor antagonist.
- 13. The method of claim 12, wherein said nicotine receptor antagonist comprises a drug substance.
- 5 14. The method of claim 12, wherein said nicotine receptor antagonist comprises a nutritional supplement.
 - 15. The method of claim 14, wherein said nutritional supplement comprises lobelia.
 - 16. A system for helping a subject to stop smoking, said method comprising:
 - (A) a non-conditioning educational program to educate the conscious mind to discourage smoking behavior;
 - (B) a hypnosis program to train the subconscious mind to discourage smoking behavior; and
 - (C) a stop-smoking substance in an amount effective to aid in the reduction or cessation of a craving to smoke tobacco.
 - 17. The method of claim 16, wherein said stop-smoking substance comprises an anti-depressant.
 - 18. The method of claim 17, wherein said antidepressant comprises a drug substance.
 - 19. The method of claim 18, wherein said drug substance comprises buproprion hydrochloride.
 - 20. The method of claim 17, wherein said antidepressant comprises a nutritional supplement.
 - 21. The method of claim 20, wherein said nutritional supplement comprises gotu kola.
- 30 22. The method of claim 20, wherein said nutritional supplement comprises kava kava.
 - 23. The method of claim 20, wherein said nutritional supplement comprises lobelia.

- 24. The method of claim 16, wherein said stopsmoking substance comprises an anxiolytic.
- 25. The method of claim 24, wherein said anxiolytic comprises a drug substance.
- 5 26. The method of claim 24, wherein said anxiolytic comprises a nutritional supplement.
 - 27. The method of claim 16, wherein said stopsmoking substance comprises a nicotine receptor antagonist.
 - 28. The method of claim 27, wherein said nicotine receptor antagonist comprises a drug substance.
 - 29. The method of claim 27, wherein said nicotine receptor antagonist comprises a nutritional supplement.
 - 30. The method of claim 29, wherein said nutritional supplement comprises lobelia.
 - 31. A stop smoking kit comprising:
 - (A) a non-conditioning educational program to educate the conscious mind to discourage smoking behavior;
 - (B) a hypnosis program to train the subconscious mind to discourage smoking behavior; and
 - (C) a stop-smoking substance in an amount effective to aid in the reduction or cessation of a craving to smoke tobacco.
 - 32. The method of claim 31, wherein said stop-smoking substance comprises an anti-depressant.
 - 33. The method of claim 32, wherein said antidepressant comprises a drug substance.
- 30 34. The method of claim 33, wherein said drug substance comprises buproprion hydrochloride.
 - 35. The method of claim 32, wherein said antidepressant comprises a nutritional supplement.

. 15

20

- 36. The method of claim 35, wherein said nutritional supplement comprises gotu kola.
- 37. The method of claim 35, wherein said nutritional supplement comprises kava kava.
- 5 38. The method of claim 35, wherein said nutritional supplement comprises lobelia.
 - 39. The method of claim 31, wherein said stop-smoking substance comprises an anxiolytic.
 - 40. The method of claim 39, wherein said anxiolytic comprises a drug substance.
 - 41. The method of claim 39, wherein said anxiolytic comprises a nutritional supplement.
 - 42. The method of claim 31, wherein said stopsmoking substance comprises a nicotine receptor antagonist.
 - 43. The method of claim 42, wherein said nicotine receptor antagonist comprises a drug substance.
 - 44. The method of claim 42, wherein said nicotine receptor antagonist comprises a nutritional supplement.
 - 45. The method of claim 44, wherein said nutritional supplement comprises lobelia.
